## Examiner's Statement of Reason for Allowance

1. Claims 3, 5 and 6 are allowed.

- 2. The following is an examiner's statement of reasons for allowance: The prior art of record teaches various electromagnetic speakers thereon, for example U.S. patent number 6,654,478. However, the prior art of record fails to show claim 5, a pair of terminals embedded in the lower case, an outer end of each of the terminals being projected from the lower case, and an inner end of the terminals being exposed from the lower case at a position adjacent to the coil and connected to a corresponding end of the coil to form a resonating space between an outer side surface of the permanent magnet, an upper surface of the diaphragm and an inside wall of the upper case and in combination with all limitation of claim 5.
- 3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tuan D. Nguyen whose telephone number is (571) 272-8163. The examiner can normally be reached on M-F 6:30-3:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Curt Kuntz can be reached on (571) 272-7499. The fax phone number
